Product Laser hair remover

Name Unknown

Brand Biotechnique Avance

Type / number of model Quazar DM 6000 / Model # XSR 256-30114

Batch number Unknown

Product description Laser hair removal device for home and professional use. Labelled as a Class 4 laser product.

Risk type
Damage to sight
Electric shock
Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply It is a class 4 laser product and the laser beam could cause injury to the eyes and the skin and damage to sight. The wavelength of the laser light is outside the range of visible optical radiation which means that the user cannot see the laser beam and may think that it is not working. The laser beam does not focus to a point. There are no instructions for use. The electrical insulation is not adequate and the product is not earthed which could lead to a risk of electric shock. The

product does not comply with the requirements of the Low Voltage Directive and the relevant European standards EN 60335 and EN 60825-1 (the latter with respect to the provision of safety information).

Product Garden chair

Name Campingstol fällbar ("Camping chair foldable")

Brand ÖoB

Type / number of model 3000021

Batch number 4520156325209

Product description Foldable, textile camping chair with a grey metal tube frame and plastic armrest. The chair comes in three colours: pink, turquoise or black. No packaging. A white label is attached to the backrest with the model no. and EAN code.

Risk type Entrapment
Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The plastic material of the armrests is too weak and the angle of the front leg is incorrect. If the user grabs the armrests to get up from the chair and leans forward the armrests bend downwards and the front legs collapse. The user's fingers could then get caught in the shear point between the armrest and metal links resulting in entrapment, fracture of fingers or, in the worst cases, loss of fingers. The product does not

comply with the relevant European standard EN 581-1.
