Product USB charger

Name LCD Todo Responsável

Brand Unknown

Type / number of model Reference: CY-0017757 (on the packaging)

Batch number Unknown

Product description USB charger that can be connected to the mains or a cigarette lighter.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The electrical insulation is inadequate. This can lead to the user receiving an electric shock. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60335.

Product USB charger

Name USB Hybrid Charger

Brand EKA

Type / number of model Model: EKA-Q27; Reference: CY-0117462.

Batch number Unknown

Product description Mains/cigarette-lighter charger for USB devices supplied with USB cable with various plugs.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The creepage distances and the clearances between the primary and secondary circuits are too small. There is no supplementary fastening of the various soldered connections of the primary circuits. These defects can lead to accessible parts of the product becoming live. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60335.

Product Tattoo ink

Name Light Red

Brand Eternal Ink

Type / number of model Batch: 147 E06

Batch number Lot: D 147

Product description Tattoo ink. Packaging: plastic bottle, adhesive labels, dropper attachment.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product contains nickel (measured value: 9.56 mg/kg) and aromatic amine 4-methyl-m-phenyldiamine (measured value: 5521 mg/kg). According to the Council of Europe Resolution ResAP (2008) on requirements and criteria for the safety of tattoos and permanent make-up, nickel level must be as low as technically achievable as nickel has a high allergenic potential and the aromatic amines as 4-methyl-m-phenyldiamine with carcinogenic effects, should neither be present in tattoos and permanent make-up products nor released from azo-colourants.

Product category Lighting equipment

Type Consumer

Product Outdoor Lamp

Name Unknown

Brand LUXFORM

Type / number of model Model ORLANDO, Art. No LUX1104Z

Batch number 0715467011048

Product description Outdoor lamp, 220/240 V; Max 60 watt; E27; IP 44c. Sold in a cardboard box indicating Luxform Lighting, Orlando 220-240V, Art No LUX 11042

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The flexible cable fitted to the product has no anti-traction or anti-twisting device and the insulating material covering the lamp holder can suffer heat deformation. Live parts of the product can therefore become accessible to the user and, if touched, could cause the user to receive an electric shock. The cable insulation is of PVC, which is not permitted for outdoor lamps. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Type Consumer

Product Snowman soft toy

Name Flake

Brand Snowman World

Type / number of model Unknown

Batch number Unknown

Product description White hockey player snowman soft toy with brown nose and black eyes and mouth. It has a yellow-red stick in its hand, blue leather-like plastic hat and a white jersey with a number eight.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The plastic material in the snowman's hat contains 5.3 % by weight of di-(2-ethylhexyl) phthalate (DEHP) and 0.5% by weight of dibutylphthalate (DBP). These phthalates may harm the health of children, causing possible damage to the reproductive system. According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles.
