

Alert number A12/0200/15

Notifying country Cyprus

Product category Electrical appliances and equipment

Type Consumer

Product Electric coffee maker

Name Unknown

Brand Primo

Type / number of model NE200A (Bronze)

Batch number 5205505005290

Product description The product consists of two parts. The first part is a metallic, coffee pot with a lid and a handle on the side. The second part is a plastic base with a plug cord on the side.

Risk type Burns

Legal provisions (at EU level) and European standards against which the product was tested and did not comply In the event that the product is operated beyond a certain time, the pot could overflow when it is lifted from the base. Consequently, there is a risk that the user be scalded when using the product. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60335.

Product Pushchair

Name Unknown

Brand Akjax

Type / number of model Torent

Batch number Unknown

Product description Combination pushchair with a chassis, a removable cot, adjustable handle and covers.

Risk type Choking  
Entrapment  
Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The restraint system is not adequate to protect a child from falling, which may result in injuries. There are accessible holes in the front of the pushchair where a child's finger may become trapped. The small plastic label on the handle is accessible and may easily detach. A small child may put it in the mouth and choke. The product does not comply with the relevant European standard EN 1888.

Product Decorative stones

Name Unknown

Brand River Rocks

Type / number of model Unknown

Batch number Unknown

Product description 1) Decorative stones with various shapes resembling children's candy in various pastel colours - yellow, orange, red, violet, cyclamen, blue and green. 2) Oval-shaped glass marbles, with diameter of about 18 mm, resembling sucking candy in transparent colour with various nuances - green, brown, blue

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The products pose a risk of choking because the decorative stones are similar to sweets that could be confused with real sweets and swallowed by small children, causing injuries. The product does not comply with the requirements of the Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of

consumers.

Product Passenger car

Name Yaris Hybrid

Brand Toyota

EC-type approval/model Frame code: NHP130.

Production dates Production year: 2012 - 2014.

Product description Passenger car

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The brake reservoir tank is designed for left hand drive Yaris hybrid vehicles. Due to the design of the chamber divider in the reservoir tank which separates the front and rear brake fluid lines, both front and rear brake system functionality may be lost in the event that brake fluid leaks from the front brake system. This could lead to a crash.
