Type Consumer

Product Egg boiler

Name Unknown

Brand Zhong Shang Ying Chuang Electronic

Type / number of model PA-610

Batch number GB4706

Product description Egg boiler for 7 eggs. Spherical plastic unit with opaque bottom half and clear top. Packaged in cardboard box with carry handle.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The accessible metal dish has inadequate insulation which could cause the dish to become live. The plug adaptor does not fully enclose the non-UK plug and could be removed without the need of a tool. There are no shutters on the plug adaptor to protect against contact with live parts. The plug pins have incorrect dimensions. The plug is not fitted with a fuse. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60335 and the relevant national standard.

Country of origin	People's Republic of China

Product Pushchair

Name Unknown

Brand QQBEAR

Type / number of model Unknown

Batch number Unknown

Product description Foldable pushchair with metallic frame and grey and pink textiles. Pink canopy decorated with white rings, backrest decorated with sleeping cat. 4x2 plastic wheels, the front ones are revolving, the rear ones are equipped with braking device. The pushchair has foam handles.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The pushchair is not designed with an appropriate locking device in the folding mechanism. This may result in accidental folding of the pushchair and consequent injuries for a child due to entrapment of fingers between moving parts. Furthermore the restraint system is not adequate to protect a child from falling. This may cause injuries to children. The product does not comply with the relevant European standard

EN 1888.

Country of origin Unknown

Measures ordered by public authorities Ban on the marketing of the product and any accompanying measures

Product CCTV wireless camera

Name Wireless Network Camera

Brand Tervis

Type / number of model Model ZFXPA02000050,

Batch number 143404011403

Product description CCTV wireless network, dome-style camera with built-in aerial and separate plug in power adaptor. Packaged in a brown cardboard box.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The internal connections of the power supply are not sufficient and rely upon solder to maintain their position; a loose wire could reduce creepage distances and clearances. The pins are inadequately sized which could cause damage to the socket and the adaptor resulting in live parts being exposed. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 61558 and the relevant national standard.

Product Plant nutrition balls

Name Magic Pearl Jelly

Brand Unknown

Type / number of model 242689

Batch number 8436042242689

Product description Expanding balls that are similar to sweets. The balls contain plant nutrition. Product dimensions: diameter: 3.7 mm. Product packaging: plastic bag.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply Due to its characteristic form, colour and size, the product may be mistaken for foodstuff. This may lead children to put the balls in the mouth, suck or ingest them. The balls expand when soaked and if ingested by a child they could cause fatal occlusion of the digestive system. In addition, the balls may be put in the mouth by small children, get stuck and obstruct the airways, posing a risk of choking. The product does not comply with the requirements of Directive 87/357/EEC on products which, appearing to be other than they are,

endanger the health or safety of consumers.

Product Remote-controlled toy robot

Name Super Power Robot

Brand Imagin

Type / number of model Ref.: 9051

Batch number Batch: CO1308 / Bar code: 3700156690519

Product description Radio-controlled robot with sound and lights. Dimensions: 25x29x14cm.

Risk type Chemical
Damage to hearing

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product contains 0.39 % by weight of di-(2-ethylhexyl) phthalate (DEHP) and 21.9 % by weight of dibutyl phthalate (DBP). These phthalates may harm the health of children, causing possible damage to the reproductive system. According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles. The sound level is too high which can cause damage to hearing. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.
