Refs 79-056, 79-057, 79-058 and 79-059.

Batch number

4895005790560, 577 and 584.

Product description

Building toys containing magnets with four different reference numbers. Packaged in a cardboard box. Various parts.

Risk type

Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

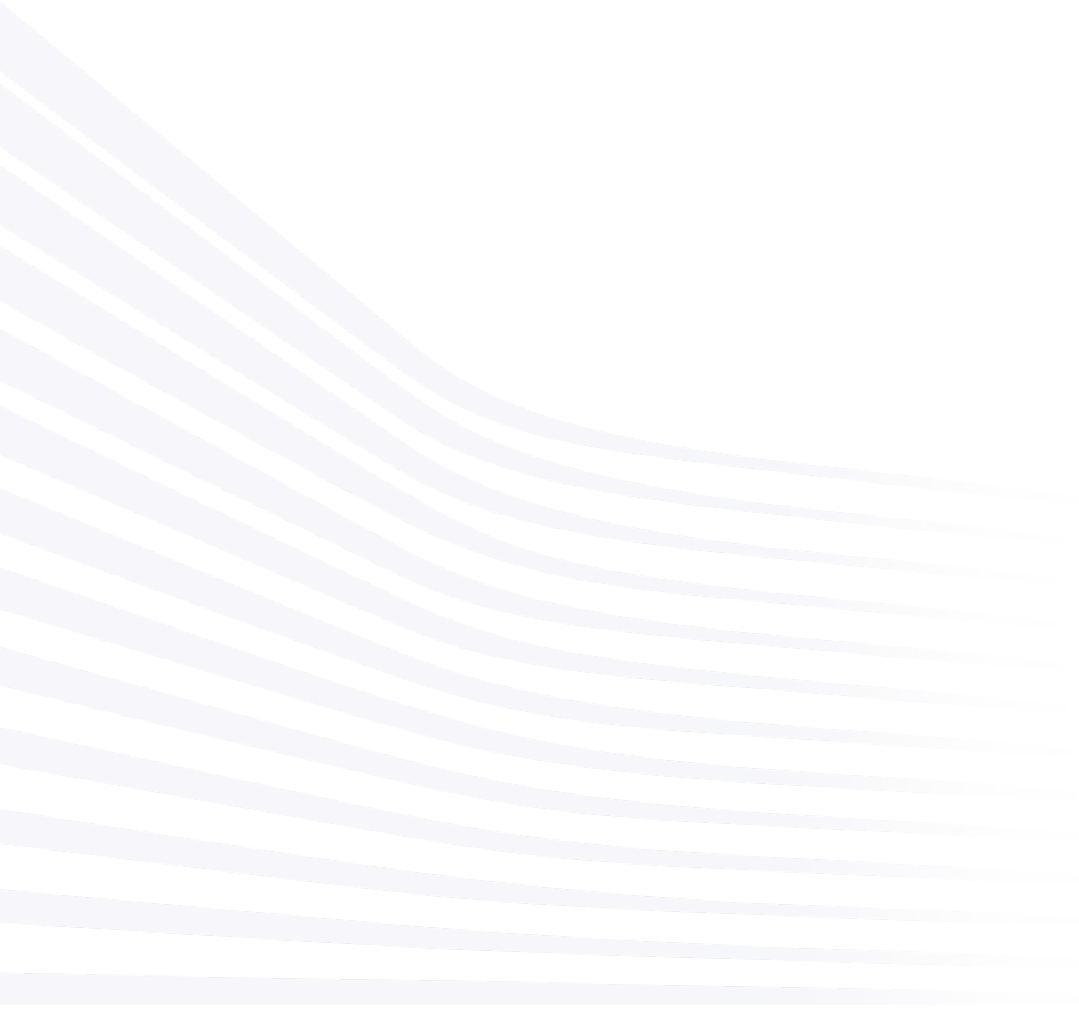

The magnets have a high magnetic flux value and if more than one small magnet is swallowed they can be attracted to one another through the gut wall, causing perforation or blockage. The product does not comply with the requirements of the Toy Safety Directive and with the relevant European standard EN71-1.
