Product Plant nutrition balls

Name Per Addobbi Floreali e Piante (For Flower Arrangements and Plants)

Brand PhotoBeats

Type / number of model 86145

Batch number 8018318861451

Product description Expanding yellow balls that are similar to sweets. The balls contain plant nutrient. Product dimensions: diameter: 3.5 mm. Product packaging: colourful cellophane bag. Product weight: 10 g.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply Due to its characteristic form, colour and size, the product may be mistaken for foodstuff. This may lead children to put it in the mouth, suck or ingest it. The balls expand when soaked and if ingested by a child they could cause occlusion of the digestive system. In addition, the balls may be put in the mouth by small children, get stuck and obstruct the airways, posing a risk of choking. The product does not comply with

the requirements of Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.
