Notifying country Hungary

Product category Construction products

Type Consumer

Product Cement

Name MÉSZKŐ Portland Cement

Brand ZSOL-CEM

Type / number of model CEM II/B-LL 32,5N

Batch number Unknown

Product description The paper sack contains 25 kg of cement. Size of the bag: approx 50x30x15 cm

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The soluble cement contains Chromium (VI) (measured values up 4.6 mg/kg). Chromium VI is classified as sensitising and may trigger allergic reactions. In addition, the average compressive strength diminishes over time and the quantity of limestone is too high: the cement may not be sufficiently strong. The product does not comply with the REACH Regulation and the relevant European standard EN 196.

Product Loom bands with charms

Name LOOM BANDS

Brand Unknown

Type / number of model Art.n°: 56086

Batch number 8111161560

Product description Transparent hard plastic box with separate sections for the elastic bands of various colours.

Risk type Chemical

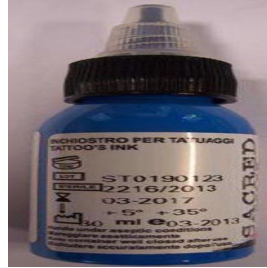

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The elastic bands and charms contain di(2-ethylhexyl)phthalate (DEHP), (dibutyl phthalate) (DBP) and benzyl butyl phthalate (BBP) (measured values for DEHP: up to 1.8% by weight). These phthalates may harm the health of children, causing possible damage of the reproductive system. According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles.

Product Tablet computer

Name 7" Touch Screen WIFI Tablet PC

Brand Kou-Zone

Type / number of model Adaptor model: LA-520W

Batch number M01000000000071957

Product description White 7" tablet tablet computer with 3 pin (UK) mains adaptor. Supplied in cardboard box.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The internal connections of the mains adaptor rely upon solder to maintain their position; a loose wire could reduce creepage distances and clearances. The adaptor pins are inadequately sized which could cause damage to the socket and the adaptor resulting in live parts being exposed. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 61558 and the relevant national standard.
