Type / number of model KN5502/KM5502

Batch number Unknown

Product description An unpackaged mains lead with a plug fitted with a 13 amp fuse; used for powering a variety of electrical appliances. The plug is marked with the letters STGS and KN5502/KM5502 and a mark resembling the BS Kite mark.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The plug indicates that it is fitted with a 13 amp fuse but the lead is capable of carrying a maximum of 6 amps. The fuse link and/or the lead could therefore fail if the product was used with a domestic appliance, such as a kettle. The product does not comply with the requirements of the Low Voltage Directive and the relevant national standard.
