Product Security camera

Name IP Camera

Brand Escam

Type / number of model QD500 (camera). LJY-186 (AC DC Adaptor)

Batch number Batch: 201502040019. Bar code: X000BPGZ1Z

Product description Small white dome IP camera with AC/DC adaptor power supply unit for connection to the mains. Supplied in a brown cardboard box.

Risk type Electric shock
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The electrical insulation of the power supply unit is inadequate. The internal connections are not sufficient and rely upon solder to maintain their position; a loose wire could reduce creepage distances and clearances. The adaptor pins are inadequately sized which could cause damage to the socket and the adaptor resulting in live parts being exposed. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN

61558 and the relevant national standard BS 1363.

Product Drink mixer

Name Drink Mixer

Brand Oscar Plus

Type / number of model SH-709A

Batch number 5290504198883

Product description Electric drink mixer in cardboard box.

Risk type Cuts
Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The mixer can overheat if it is used to prepare a large number of drinks within a very short time interval. The housing of the mixer can consequently deform creating an opening that allows access to live parts. The user can also touch hot parts and get burns to the skin. The user can touch the rotating disc whilst it is spinning and receive cuts. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60335.
