Product Inflatable swim seat

Name DUCK BABY BOAT

Brand Sainteve

Type / number of model SY-A1059

Batch number 5290509049678

Product description Inflatable round seat with a protruding duck head. The seat has two leg openings and two yellow plastic handles and has measurements of 68cm x 54cm.

Risk type Drowning

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product gives the impression that it is a toy and has a child attractive appearance. As a consequence, children may be capsized in the seat and their head may go under water thus causing a risk of drowning. Swim seats must not give the impression that they are toys. In addition, the information on the product use and the warnings are insufficient. The product does not comply with the relevant European standard EN 13138-3.
