Product description

Ladies' gloves made of dark green leather. Sample size: 19. A label is attached to the product.

Risk type

Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product contains azo dyes releasing an excessive amount of the aromatic amine p-cresidine (measured value 102 mg/kg). When the product is in direct and prolonged contact with the skin, the aromatic amine may be absorbed by the skin. Aromatic amines can cause cancer, cell mutations and affect reproduction. The product does not comply with the REACH regulation.

Product **Wooden cot**

Name **ŁOZECZKO DZIECIECE ("Baby cot")**

Brand **Wujec meuble**

Type / number of model **ZBYSZEK P; "Sosna" (Pine)**

Batch number **Regon 250028476**

Product description **Baby wooden cot (pine), wrapped in a thin foil, including a pale pink mattress.**

Risk type **Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The bars of the cot may break creating sharp point and edges and protruding parts accessible to a child inside the bed who can hit them and suffer injury. In addition, the space between the bars of the cot is large enough to let a child put an arm or leg between them with a risk of entrapment and the spring is accessible when the side slats are removed and can be easily detached. Small children can put it in the mouth and choke on it. The product does not comply with the relevant European standards EN 716-1 and 716-2.

Soft toys with suction cup

Name

Plüss ajándék

Brand

Boyd's/SEVEN

Type / number of model

PA1369

Batch number

5999548003213

Product description

Animal-shaped soft toys (duck, donkey, frog) with suction cup attached by a chain.

Risk type

**Chemical
Choking**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product contains small parts (the suction cups, the eyes of the toys and the chain) that can be easily detached. A small child could put them in the mouth and choke on them. Furthermore, the product contains di-(2-ethylhexyl) phthalate (DEHP) (measured values: 31% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1. According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles.

Product **Soft toys with suction cup**

Name **Plüss ajándék**

Brand **Boyds/SEVEN**

Type / number of model **PA1370**

Batch number **5999548003220**

Product description **Animal-shaped soft toys (frog and dog) with suction cup attached by a cord. The animals have a sweatshirt with a hood. The hood includes drawstring with toggles on the ends.**

Risk type **Chemical
Choking**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The product contains small parts (the suction cups of the toys and the eyes of the frog) that can be easily detached. A child could put them in the mouth and choke on them. Furthermore, the product contains di-(2-ethylhexyl) phthalate (DEHP) (measured values: 33% by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1. According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare**
