Type / number of model **128-220600**

Batch number **8718657917962**

Product description **Kick scooter for children over 6 years.**

Risk type **Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The steering tube may easily break, causing the child to fall and exposing it to sharp points and edges, leading to injuries. In addition, there are accessible gaps between moving parts, which may cause entrapment of fingers while folding the scooter. The product does not comply with the relevant European standard EN 14619.**

Product description **Motorcycle**

Risk type **Fire
Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The check valve orifice on the braking system is susceptible to becoming blocked resulting in rear wheel brake dragging. Unexpected braking/dragging increases the risk of a crash and continued riding with the rear brake engaged/dragging may generate enough heat to cause the rear brake to catch fire.
