Product category Laser pointers

Type Consumer

Product Laser pointer

Name Fx-Laser

Brand Unknown

Type / number of model 303

Product description Laser pointer. Marked: "max. output power < 500 mW, wavelength 532 nm, Class III laser product". Turning a rotating ring at the top of the laser produces a 'starry sky' effect. This rotating ring can easily be unscrewed, and then the laser produces a single, green beam.

Risk type Damage to sight

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The laser beam is too powerful, particularly when the rotating ring is removed. The product does not bear any safety warnings or laser warning symbols. The laser beam could cause damage to sight if it was pointed directly at the eyes. The product does not comply with the relevant European standard EN 60825-1 with regard to safety warnings.

Date of entry into force 02/09/2015

Alert number	<u>A12/1492/15</u>
Notifying country	Germany
Product category	Motor vehicles
Type	Consumer
Product	Passenger car
Name	RAM
Brand	Dodge
EC-type approval/model	Typ: DR EC type-approval: Individual approval
Production dates	The vehicles affected were produced from July 2004 to April 2005.
Product description	Passenger car
Risk type	Injuries
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The rear axle bevel wheel nut may loosen, causing the rear drive shaft to become separated from the rear axle. A loose rear axle bevel wheel nut may cause jamming of the rear axle and separation of the drive shaft from the rear axle may cause a loss of propulsive force. Both these problems may lead to an accident without warning.
Country of origin	Mexico
Measures taken by economic operators	Recall of the product from end users Manufacturer
Products were found and measures were taken also in	The Netherlands United Kingdom

Product Girls' dress

Brand BB BOUM

Type / number of model 059

Batch number 316006079091

Product description White and red dress for girls with bolero and belt with free ends (length 43 cm from the fixing points), hanging below the hem of the garment when tied. The product is decorated with red textile hearts and glued strass stones. Size: 1

Risk type Choking
Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of injuries due to the presence of a too long belt in the waist area with free ends that hang below the hem of the garment when tied. The decorative strass stones can be easily detached and could cause choking if swallowed. The product does not comply with the relevant European standard EN 14682.
