Batch number 8002829804984 lot: 2014/12/11.

Product description Tablet computer supplied with charger ("Switching AC/DC Power Adapter").

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The connectors in the primary circuit are not protected against accidental disconnection by any means other than soldering. A loose wire under mains voltage could consequently touch the accessible secondary circuit. The insulating material is not suitable for resisting the thermal stresses to which it is subjected and could distort making live parts accessible. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60950.

Product Soft toy

Name Giraffe Baby Crib Activity Spiral Stroller Toy

Brand Aqure

Batch number Batch: I041315

Product description Soft giraffe toy to be used on baby cribs or prams, with a spiral shape. Four soft toy birds, one of which contains an electronic music component inside a Velcro pouch, are attached to the toy giraffe. The product is supplied in a plastic bag.

Risk type Choking
Suffocation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The small electronic music component in one of the toy birds can be easily accessed by opening the Velcro fastening. A child may put it in the mouth and choke. The plastic bag of the packaging is too thin. If a child plays with the packaging, the plastic can cover the mouth and nose causing the child to suffocate. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The plastic in the cable contains up to 1,9% by weight short chain chlorinated paraffins (SCCPs). The placing on the market and use of articles containing SCCPs is banned. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human health and the environment. The product does not comply with the Regulation on persistent organic pollutants (POP Regulation). Furthermore, certain solders on PCB contain lead (measured value up to 45.0%). The product does not comply with the requirements of the

Directive on the restriction of the use of certain hazardous substances in electric and electronic equipment (RoHS 2).

Batch number Serial numbers (these run sequentially): 2014 Production - 14138xxxxX to 14365xxxxX. 2015 Production - 15001xxxxX to 15254xxxxX. (serial number can be found on the spine of the carabiner).

Product description Locking carabiner used for climbing, construction work etc. Packaging comprises of a cardboard header with user instructions included.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply In a small percentage of the carabiners, the gate pusher (the component that holds the spring against the carabiner body) may displace, potentially preventing the gate from closing or the mechanism from locking completely. This could lead to a situation where the carabiner could break or open during use, causing the user to fall from a height. The product does not

comply with the requirements of the Personal Protective Equipment Directive.
