Product **Rain cover for pushchair**

Name **Stroller Rain Cover**

Brand **Diono**

Type / number of model **60255**

Batch number **0677726602551**

Product description **Rain cover for stroller made of transparent PVC plastic.**

Risk type **Chemical Environment**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The transparent plastic contains di-(2-ethylhexyl) phthalate (DEHP) (measured value up to 16.8 % by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system. Moreover, the transparent plastic also contains 0,73 % by weight short chain chlorinated paraffins (SCCPs). The placing on the market and use of articles containing SCCPs is banned. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bio accumulate in wildlife and humans, posing a risk to human health and the environment. The product does not comply with the Regulation on persistent organic pollutants (POP Regulation) and according to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and

childcare articles.
