Alert number

A11/0010/16

Notifying country Czechia

Product category Childcare articles and children's equipment

Type Consumer

Product Children's travel cot

Name Luna

Brand ZOPA

Type / number of model B-2821
C/NO.: 391/936

Batch number 8595114466726

Product description Children's red travel cot supplied in cardboard box.

Risk type Injuries
Strangulation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply In the corners of the cot there are protruding parts to which garments could become trapped, causing strangulation. Furthermore, one of the side walls may break and a child could fall out of the cot, suffering injuries. The product does not comply with the relevant European standards EN 716 and EN 1930.

Product Passenger car

Name Verso

Brand Toyota

EC-type approval/model - Model name: Verso; - Model Code: WAR20.

Product description Passenger car. Production year: 2014 - 2015.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

Under certain conditions condensation in the intake air corrodes the needle bearing housing, thus, the sealing between intake air and the electrical actuator circuit of the throttle body might not be water-tight any more. If water enters in the throttle body actuator circuit, the water might cause a throttle body position misreading or short circuit inside the throttle body electrical actuation mechanism. This might trigger the engine to stall while driving.
