Brand

Gewiss

Type / number of model

SD 4P

Batch number

SD 4P manufactured from 21.09.2015 to 07.11.2015.

Product description

Residual current circuit breaker

Risk type

Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

Due to a defect in the moulding process of an internal plastic component, the circuit breaker might not trip when it should. The product does not comply with the requirements of the Low Voltage Directive.

Product category **Toys**

Type **Consumer**

Product **Toy telephone**

Name **Telephone**

Brand **Unknown**

Type / number of model **Item NO: 711K**

Batch number **5902496096909**

Product description **Toy telephone supplied in transparent plastic packaging.**

Risk type **Choking
Strangulation
Suffocation**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

Small stickers may detach from the toy telephone. A small child may put them in the mouth and choke. The cord connecting the toy phone with the earpiece is too long, and this may cause strangulation if it wraps around a child's neck. The plastic of the packaging is too thin: if a child plays with the packaging, the plastic can cover the mouth and nose causing the child to suffocate. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Country of origin **People's Republic of China**

Product

Decorative oil lamp

Name

Lyhty Lykta

Brand

Taiga

Product description

Decorative oil lamp, that consists of a base (wood/metal), a cylinder (glass) and a cover (metal) and replaceable, single use oil container, that has a non-removable wick. The oil lamps are available with different combinations of materials (wood, glass, metal), patterns and colours.

Risk type

Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The design of the product allows easy access to the lamp oil. Children can reach the lamp oil and drink it which can cause lung damage if swallowed. The product does not comply with the REACH Regulation and the relevant standard EN 14059.

Batch number **batch 24.10.14, expiry 24.10.2017**

Product description **30 ml bottle with red pigment.**

Risk type **Chemical**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product contains the aromatic amines o-toluidine (measured value 92 mg/kg), 2,4-diaminotoluene (measured value 2780 mg/kg) and 2-methyl-5-nitroaniline (measured value 46 mg/kg). Aromatic Amines can cause cancer, cell mutations and affect reproduction. The Council of Europe Resolution ResAP (2008)1 on requirements and criteria for the safety of tattoos and permanent make-up, recommends that aromatic amines with carcinogenic, mutagenic, reprotoxic or sensitising properties should neither be present in tattoos and permanent make-up products nor released from azo-colourants. The product does not comply with the national legislation.

Product **Bow and arrow set**

Name **BOWMAN SUPER GAME**

Brand **Unknown**

Type / number of model **No. 208-A (GJ010)**

Batch number **5999563860099**

Product description **The set includes: a black bow with gold handle, 3 colourful arrows with suction cup and a plastic knife. The product is fixed to a colourful cardboard.**

Risk type **Chemical Injuries**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply **The suction cups of the arrows contain bis (2-ethylhexyl) phthalate (DEHP) (measured value: 7.3 % by weight) and dibutyl phthalate (DBP) (measured value: 7.7% by weight). These phthalates may harm the health of children, causing possible damage to the reproductive system. In addition the kinetic energy of the arrows is too high, which may lead to eye or face injuries. According to the REACH Regulation, the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles. The product does not comply with the requirements of the Toys Safety Directive and the relevant European standard EN 71-1.**

Product **Push-along toy**

Name **Zwierzątko-zabawka ('animal toy')**

Brand **Unknown**

Type / number of model **1230058762**

Batch number **5900851587628**

Product description **Wooden push along toy.**

Risk type **Choking
Suffocation**

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product contains small parts (the antennae and the balls attached to the wheels) that can easily detach; small children can put them in the mouth and choke on them. The plastic bag of the packaging is too thin. If a child plays with the packaging, the plastic can cover the mouth and nose causing the child to suffocate. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.
