Product Yoga mat

Name Yoga Mat

Brand Abilica

Type / number of model Art no 942 250, Batch no 14361

Batch number 7051949422500

Product description A mat for yoga made of blue PVC plastic

Risk type Environment

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The plastic in the mat contains 0.35 % by weight short chain chlorinated paraffins (SCCPs). The placing on the market and use of articles containing SCCPs is banned. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human health and the environment. The product does not comply with the Regulation on persistent organic pollutants (POP Regulation).

Product Alcohol Interlock

Name AL-5

Brand Dignita

Product description Alcohol interlock (automatic control system designed to prevent driving with excess alcohol); after-sales installation.

Risk type Injuries

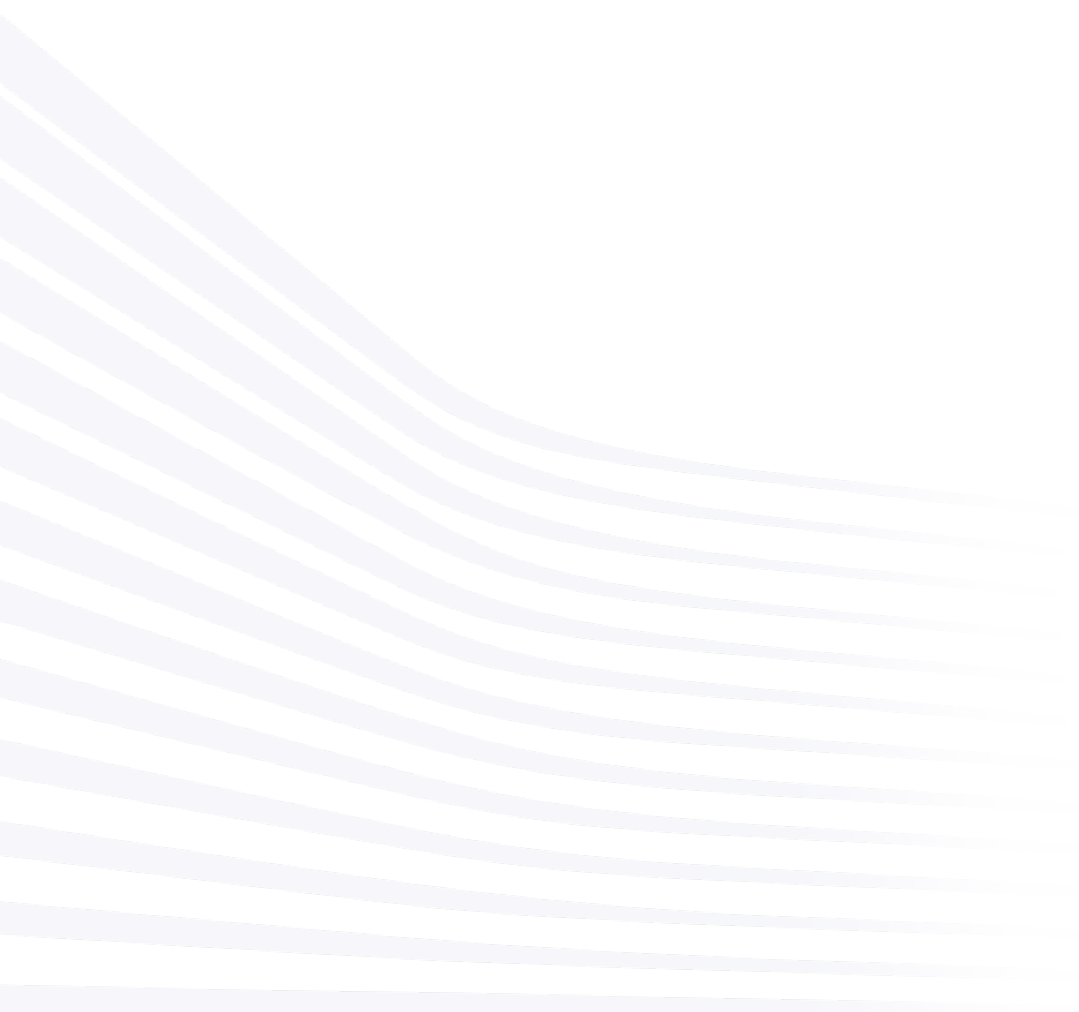

Legal provisions (at EU level) and European standards against which the product was tested and did not comply There is the possibility to drive a motorized vehicle under the influence of alcohol regardless of whether the alcohol interlock is assembled. Therefore there is a higher possibility for the driver to cause injuries to himself or to others. The product does not meet the requirements of the relevant standard EN 50436-2.

Product Tattoo ink

Name Mario's Dragon Green Dark

Brand Intenze

Batch number Batch #G80Y68W106O64B74, MHD 11/2018, Lot SS171

Product description Tattoo ink, supplied in a colourless, plastic bottle with a self-adhesive label, mixing ball and black screw-top fitted with a dispensing nozzle and rotating cap. The opening at the tip is sealed with coated foil.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product contains barium (measured value 11700 mg/kg). Soluble barium salts can be absorbed from the tattoo and have toxic effects. Barium toxicity can lead to cardiac arrhythmias, respiratory failure, gastrointestinal dysfunction, paralysis, muscle twitching, and elevated blood pressure. The Council of Europe Resolution ResAP (2008)¹ on requirements and criteria for the safety of tattoos and permanent make-up, recommends that barium in tattoo inks does not exceed 50 mg/kg.

Brand Better Bodies

Type / number of model 130323-991

Batch number 5327

Product description Ergonomically developed gloves with reinforced palm area and breathable mesh. The gloves are made of black leather and pink fabric and are lined. They are sold in a transparent plastic bag with a zip.

Risk type Chemical
Environment

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The pink textile material contains azo dyes releasing aromatic amine benzidine (measured value 67 mg/kg). When the product is in direct and prolonged contact with the skin, this aromatic amine may be absorbed by the skin. Aromatic amines can cause cancer, cell mutations and affect reproduction. Moreover the product poses an environmental risk because the plastic in the velcro strap contains short

chain chlorinated paraffins (SCCP) (measured value up to 0.180 %). The placing on the market and use of articles containing SCCPs is banned. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human health and the environment. The product does not comply with the REACH Regulation and the Commission Regulation on persistent organic pollutants (POP Regulation).

Product category Childcare articles and children's equipment

Type Consumer

Product Cradle

Brand Bebisnovi

Type / number of model Nani

Product description Swinging white cradle for babies.

Risk type Injuries

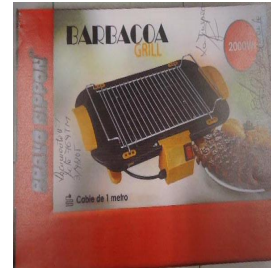

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The locking mechanism of the swing system may easily unlock. If this happens while the child is unsupervised, the child could stand up, making the cradle tip over on one side. This could cause the child to fall and suffer injuries. The product does not comply with the relevant European standard EN 1130.

Product Fancy-dress mask

Name Masque d'horreur ('Horror mask')

Brand Unknown

Type / number of model HAL020

Batch number 3700366600506; batch 0535

Product description Soft plastic mask with textile back.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The plastic material of the mask contains di-(2-ethylhexyl) phthalate (DEHP) (measured value 13.5 % per weight). This phthalate may harm the health of children, causing possible damage to the reproductive system. According to the REACH Regulation the phthalates DEHP, DBP and BBP are prohibited in all toys and childcare articles.

Product Insecticide spray

Name Colombine Spray

Brand Versele-Laga

Type / number of model Orange 250ml spray can

Batch number 0063BJ EAN: 5410340656709

Product description Insecticide spray for the prevention of ectoparasites present in pigeon houses and means of transport used for pigeons.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product lacks the required safety cap, while it can contain up to 30% by weight of dichloromethane (according to the safety data sheet). The absence of a child-resistant fastening could lead children to accidentally swallow some of the product. The product does not comply with the Regulation on the classification, labelling and packaging of substances and mixtures (CLP).

Product Leather wallet

Brand Choice

Type / number of model H20, Style 71/7730/ 001

Batch number 4011541717711

Product description Brown leather wallet with decorative stitching, fixed to a cardboard packaging.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The amount of chromium (VI) found in the leather is too high (measured value 22.1 mg/kg). Chromium (VI) is sensitising and might trigger allergic reactions. Moreover, it contains azo-dyes releasing the aromatic amine benzidine (measured concentration 39.4 mg/kg). When the product is in direct and prolonged contact with the skin, this aromatic amine may be absorbed by the skin. Aromatic amines can cause cancer, cell mutations and affect reproduction. The product does not comply with the REACH Regulation.

Product Yoga mat

Name Fitness Mat Basic

Brand Kettler

Type / number of model FitnessMat basic/144112135

Batch number 07350-254, Barcode: 4001397291688

Product description Kettler Fitness Mat basic 172x61 cm, fitness mat, blue foam mat.

Risk type Environment

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The plastic in the mat contains 6.9% by weight short chain chlorinated paraffins (SCCP). The placing on the market and use of articles containing SCCPs is banned. SCCPs persist in the environment, are toxic to aquatic organisms at low concentrations and bioaccumulate in wildlife and humans, posing a risk to human health and the environment. The product does not comply with the Regulation on persistent organic pollutants (POP Regulation).

Notifying country Greece

Product category Toys

Type Consumer

Product Plastic fan

Name Fashion

Brand Unknown

Type / number of model Model: SB157G

Product description Green plastic fan with a figure of "SpongeBob" in the middle of the handle. Approximate length: 41 cm. The toy is packed in a transparent plastic bag. **THE PRODUCT MAY BE COUNTERFEIT**

Risk type Choking
Injuries
Suffocation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product can easily break and generate small parts (the on/off button, the vanes and the cap as well as the inner mechanism of the helix). A small child could put them in the mouth and choke on them. Furthermore, the plastic bag of the packaging is too thin. If a child plays with the packaging, the plastic could cover his/her mouth and nose, causing the child to suffocate. In addition, the toy includes a metal plate at the bottom of the helix with sharp edges, posing a risk of cuts. The product does not comply with the requirements of the Toy

Safety Directive and the relevant European standard EN 71-1.

Brand Unknown

Type / number of model Model: SB157G

Product description Green plastic aeroplane (approx. dimensions: 16.5x13x7 cm), decorated with multicoloured plastic stickers with inscriptions "Plane Super Power", "D-63 Super Power". When the cord at the tail of the plane is pulled, the toy moves and the round mechanism at the top rotates producing a flashing light a

Risk type Choking
Suffocation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply Small parts can easily detach from the toy (i.e. the plastic stickers, the wheels, the pull cord, the axis of the rear wheels and the inner fragments of the musical mechanism). A small child could put them in the mouth and choke on them. Furthermore, the plastic bag of the packaging is too thin and if a child plays with it, the plastic can cover her/his mouth and nose, causing the child to suffocate. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.
