Notifying country Germany

Product category Motor vehicles

Type Consumer

Product Passenger car

Name Compass, Patriot

Brand Jeep

EC-type approval/model Type: PK EC type-approval: e11\*2001/116\*0142\*22

Production dates The vehicles affected were produced between 4.1.2015 and 12.5.2015.

Product description Passenger car.

Risk type Fire

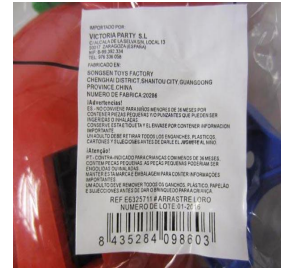

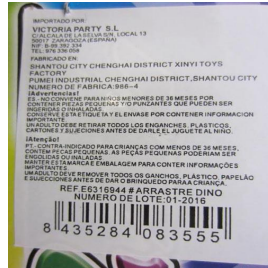

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The power steering return hose clamp may not be correctly attached. Consequently, power steering oil may leak which could lead to a fire.

Country of origin United States

Product category	Toys
Type	Consumer
Product	Push-along toys
Brand	Victoria Party
Type / number of model	2) E6316944 Ref.1) E6325711
Batch number	1) 8435284098603 2) 8435284083555
Product description	Plastic, push-along toys in the shape of a dinosaur and a bird, and plastic eggs. The products come in a transparent plastic bag sealed with a cardboard strip.
Risk type	Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The plastic eggs are small parts and may be put in the mouth by small children, causing them to choke. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Country of origin

Notifying country Hungary

Product category Lighting equipment

Type Consumer

Product Rechargeable head torch

Name Rechargeable Working Headlight Helmets / Led Headlight

Brand LONGTENG

Type / number of model 1766

Product description Rechargeable head torch with battery charger. Packaging: cardboard box.

Risk type Electric shock  
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The basic insulated internal wires of the head torch can be damaged by the sharp edges of the cover fixing screws during adjustment of the head torch. The dimensions of the battery charger are not correct and when connecting the plug the user may consequently touch the live parts of the plug or the live connector terminal sockets. The cross-sectional area of the core of the wires is insufficient: in case of a short circuit the wires may overheat. The heat and flame resistance of the insulating material that holds the pins of the built-in plug in position is not sufficient and the product may thus cause a fire. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard

EN 60598.

Country of origin People's Republic of China

Measures ordered by public authorities Recall of the product from end users

Product Rechargeable torch

Name ПЕРЕЗАРЯЖАЕМЫЙ АККУМУЛЯТОРНЫЙ СВЕТИЛЬНИК

Brand Feron

Type / number of model TH2295

Batch number 2 000126 537969

Product description Rechargeable torch with 15 LEDs. The battery can be charged via the built-in plug with telescopic pins. A plug adapter is supplied with the product. Packaging: cardboard box.

Risk type Electric shock  
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The pins of the built-in plug and plug adapter do not have an insulating collar. The plug adapter allows single-pole insertion of a plug, leaving the remaining free live pin accessible. The cover for the LED can be removed by hand during charging, leaving live parts accessible. The cross-sectional area of the core of the wires is insufficient: in case of a short circuit the wires may overheat and can cause a fire. The heat and flame resistance of the insulating material that hold the pins of the

built-in plug in position is insufficient. The product does not comply with the requirements of the Low Voltage Directive and the relevant standards EN 60598 and IEC 60884.

Brand VW

EC-type approval/model Type-approval number: e1\*2001/116\*0189\*; Type: 3D

Production dates The vehicles affected were produced between 02/07/2012 and 27/01/2016. The tyres in question were mounted on reconditioned, used cars at the plant.

Product description Passenger car with summer tyres (size 255/40ZR19 100Y XL).

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply Summer tyres may have been mounted with the wrong rubber mixture in the running surface. The use of the wrong rubber mixture results in a clear reduction in the tyres' adhesion to the road in wet weather.
