Brand CHENG FENG

Type / number of model Item No.: 8201-101, Model: 740291

Batch number Barcode: 074029100001, LOT: PI2000

Product description A set of 8 multicoloured rattles in different shapes made from hard plastic. The rattles are packed in a transparent plastic bottle (approx. height: 22 cm) in the shape of a child with an orange face and hat that is screwed on to the top of the bottle.

Risk type Choking
Cuts

Legal provisions (at EU level) and European standards against which the product was tested and did not comply All the rattles (except the fruit-shaped rattle), as well as the black plastic pieces attached to the end of the cord included in the outer hat, can easily break and generate small parts. A small child could put them in the mouth and choke on them. Moreover, the head of the bear-shaped rattle and the handle of the rattle marked 'Happy Music' can obstruct the airways,

causing a risk of choking. In addition, several of the rattles can easily break and expose children to sharp points and edges, possibly causing cuts. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Product Lighting chain

Name Christmas LED Light 8 MULTIFUNCTION

Brand Blumagix / Orion

Type / number of model BMCL-LSL20R200

Batch number 5 998314 590094

Product description The lighting chain includes 201 serial-parallel connected, non-replaceable, red LED lamps. The product can be operated with a flashing switch and control unit. It is supplied in a colourful cardboard box and plastic bag.

Risk type Electric shock
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The dimensions of the plug are too small and the wire ends soldered to the terminals of the flashing unit and the LED are not adequately protected against pulling and twisting. The accessible, basic insulated, wires can come into contact with sharp edges of the flashing switch and control unit. The cross-sectional area of the external and internal wires is too small and the wires could overheat and cause a fire. The product

does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Risk type Electric shock
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of electric shock for the following reasons. Firstly, the dimensions of the plug are substantially less than required. Secondly, the wire ends soldered to the terminals of the flashing unit and the LEDs are not adequately protected against pulling and twisting. Thirdly, the accessible basic insulated wires can come into contact with sharp edges

of the flashing switch and control unit. Finally, the insulation provided by the shrink tubing for the lamps is inadequate. Moreover, the cross-sectional area of the external and internal wires is too small and the wires could overheat and cause a fire. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60598.

Product category Toys

Type Consumer

Product Plastic toy

Name Shrilling Chicken

Brand ZIX

Product description A plastic chicken that makes a sound when squeezed. Description of packaging: a plastic net closed by means of a cardboard strip.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The plastic material of the chicken contains di-(2-ethylhexyl) phthalate (DEHP) (measured value more than 20.0 % by weight). This phthalate may harm the health of children, causing possible damage to the reproductive system. According to the REACH Regulation, DEHP, DBP and BBP phthalates are prohibited in all toys and childcare articles.

Production dates	Vehicles produced from March 2015 to September 2015 are affected.
Product description	Plug-in, hybrid electric vehicle.
Risk type	Injuries
Legal provisions (at EU level) and European standards against which the product was tested and did not comply	The on-board high-voltage battery charger may malfunction. As a consequence it may incorrectly detect that an external charging cable has been inserted. If the vehicle is travelling at a speed of less than 5 km/h, this could lead to the activation of the park-lock function which would prevent further movement of the vehicle.

Product Electric blanket

Name Warm Cloud

Brand TNS Home Collection

Type / number of model QD(150*80)/0.9m²-SD-DT

Batch number 5204558999679

Product description The product consists of a white blanket containing the heating element and powered by a white power cord and controller. The product comes in an orange and red cardboard box with a photo of the device on the outside.

Risk type Health risk / other

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The electric blanket can be connected directly to the power supply without the control unit. If used in this way, the electric blanket will overheat in the absence of a thermostat and a vulnerable person could suffer heatstroke. The product does not comply with the requirements of the Low Voltage Directive and the relevant European standard EN 60335.

Product Toy playset

Name 'Coffee Set' and 'Kitchen Set'

Brand Kitchen Collection

Type / number of model
1) Ref. 8108
2) Ref. 8930

Product description
1) Kitchen playset consisting of various kitchen utensils made of colourful plastic, supplied in a plastic net with cardboard label; 2) Coffee playset with various coffee utensils made of colourful plastic, supplied in a blister packaging with cardboard label.

Risk type
Choking
Suffocation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply
The lids of the saucepan and paella dish have a hemispheric shape and could therefore cover the nose and mouth of small children, leading to suffocation. Moreover, the handle and the lid of the coffee pot break easily, generating small parts. A small child could put them in the mouth and choke. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.
