Product category Pyrotechnic articles

Type Consumer

Product Firework

Name King Cobra

Brand Fireevent

Type / number of model Ref. KN030-013

Batch number EAN : 9120019181451

Product description Category F2 banger, supplied in a pack containing 5 bangers.

Risk type Damage to hearing

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product poses a risk of damage to hearing because the sound pressure level is too high. The product does not comply with the requirements of the Pyrotechnics Directive and the relevant European standard EN 15947.

Product Balance bicycle

Brand Hello Kitty

Type / number of model REF.1204W0681152

Batch number 48951500406286

Product description Pink and white pedal-free bicycle for children under 36 months of age. Packaging: cardboard box with Hello Kitty design.

Risk type Choking
Suffocation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply A sticker and a plastic plug on the bicycle can be detached, generating small parts. A small child may put them in the mouth and choke. Moreover, the plastic bag of the packaging is too thin: if a child plays with the packaging, the plastic can cover the mouth and nose causing the child to suffocate. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Product category Toys

Type Consumer

Product Toy pushchair

Name Baby Stroller

Brand Alive Baby

Type / number of model CS6615A

Batch number 5998665730309

Product description Red and black, foldable toy pushchair with metal frame and sun shield. Packaging: a transparent plastic bag with cardboard label.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The safety lock of the pushchair is not sufficiently strong and can release if the pushchair is loaded, causing it to collapse. This may cause injuries to children playing with the toy and their fingers could be trapped between moving parts as it collapses. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Product Safety Gate for children

Name PATRULL KLÄMMA

Brand Ikea

Type / number of model PATRULL KLÄMMA 73-87

Batch number art no 50226520 and ext 90226523

Product description Pressure-mounted safety gate with a spring mechanism to secure the gate to the door frame or walls (installed without drilling holes in the walls or doorway).

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The friction between the wall and the spring mechanism in the gate can fail to hold the gate in position, so the gate can come loose which may cause small children to fall down the stairs. In addition, the users can trip over the metal bar at the bottom of the gate. Incidents reported.
