Product Children's swing chair

Name Kinder Hollywoodschaukel Rot, Beetle - Kid's Swing Chair, Beetle Design

Brand Deuba

Type / number of model Art. 100081; E/05 Colour: Red

Batch number 4250525300420

Product description Swing chair for children, supplied in a cardboard box, size: 1130x450x120 mm.

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply While children are swinging, the swing chair can overturn. Children can fall and be hit by the metal roof of the swing chair, causing injuries to the head and the neck. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-8.

Product Ethanol for flueless stoves/fireplaces

Name ETHANOL

Brand DOMESTIX

Batch number Batches 160108, 155115 and P043

Product description Organic ethanol in a transparent, plastic, 2-litre bottle with a red plastic cap. On the rear side of the label appears the batch number, instructions for use, safety advice, hazard pictograms and the company name.

Risk type Chemical  
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The liquid can leak when the bottle tips over due to a problem with the bottle-cap fastening, leading to a risk of eye damage as the product is classified as eye irritant and a risk of fire as it is a flammable substance. The product does not comply with the Regulation on the classification, labelling and packaging of substances and mixtures (CLP).
