Product Baby nest and carrier

Brand Normii

Type / number of model Model: 01001 Rose Model: 01002 Blue Model: 01003 Grey

Product description Baby nest and carrier 3 different colours (rose, blue and grey) made of soft material, which enables the baby to lay and sleep.

Risk type Injuries
Strangulation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The handles might become loose or detach while lifting the baby, which may cause the baby to fall and suffer injuries. In addition, the adjustable cords in the lower part of the nest may create long loops which can cause strangulation. The product does not comply with the relevant European standard EN 1466.

Product Swing

Name 3 in 1 swing

Brand NSH NORDIC

Type / number of model 805-463/T805-463

Batch number 5705858041612

Product description 3in1 swing to be used for children from 1½ to 10 years. This swing consists of 3 parts (seat, back and t-bar). Safety-belt for children below 3 years. There is an adjustable rope on both sides (fixed under the seat).

Risk type Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The rope is not adequately fixed and might move under the seat in case the weight on the swing is not in balance, e.g. the child is moving forward and the weight is shifted. In this case, the swing seat might tumble around with a risk of head injuries. One accident reported. The product does not comply with the requirements of the Toy Safety Directive.
