Product Expandable toys

Name AMAZING CAPSULE CREATURES - DINOSAURS

Brand Yuda

Type / number of model ref. 06062

Batch number 8431878811795

Product description 12 coloured capsules which increase in size and turn into soft foam dinosaurs when put in water. Packaging: a cardboard and plastic blister pack.

Risk type Choking
Injuries

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The capsule with the foam dinosaur can be put into the mouth and swallowed by children. As the toy expands, it can cause fatal occlusion of the respiratory track or intestinal blockage of small children. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.

Product Liquid for electronic cigarettes

Name Milk and Chocolate

Brand Quickie

Type / number of model 6 mg of nicotine

Product description Liquid for e-cigarettes. External packaging: a container made of yellow plastic with an adhesive label. Inside, there is one bottle containing the refill liquid for electronic cigarettes, accompanied by two bottles that are empty.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The product contains nicotine yet the presence of nicotine is not adequately reported on the labelling. The bottle containing the mixture does not bear an adequate label; the user therefore has no information on the dangers incurred when the product comes into contact with the skin or if it is ingested. In addition, the product can be misleading for consumers as it refers to a drink both in respect of packaging and in terms of organoleptic characteristics, i.e. intense aroma of cocoa. The product does not comply with the Regulation on the classification, labelling and packaging of

substances and mixtures (CLP) and the requirements of Directive 87/357/EEC on products which, appearing to be other than they are, endanger the health or safety of consumers.

Product category Electrical appliances and equipment

Type Consumer

Product Doorbell

Name Mehrklang Gong - Melody 230 V

Brand Heidemann

Type / number of model Art.-No: 70618

Batch number 4011150706182

Product description Doorbell packaged in a cardboard and blister pack.

Risk type Electric shock

Legal provisions (at EU level) and European standards against which the product was tested and did not comply Neither the operating instructions nor the product itself indicate how the product is to be properly connected to the electricity network. If the electricity is switched off before installation, as the operating instructions require, but the device is not connected properly and the electricity switched on again, this may, under certain circumstances, cause an electric shock. The product does not comply with the requirements of the Low Voltage Directive.
