Product Necklace with pendants

Brand Cocoo

Product description Large silver coloured necklace, bohemian style, with many pendants and chains.

Risk type Chemical

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The amount of cadmium in the metal parts of the jewellery is too high (measured value: up to 86,2% by weight). Cadmium is harmful to human health because it accumulates in the body, can damage organs and may cause cancer. Moreover, parts of the pendant release an excessive amount of nickel (measured value: 0,91 µg/cm<sup>2</sup>/week). Nickel is a strong sensitiser and can cause allergic reactions if present in articles that come into direct and prolonged contact with the skin. The product does not comply with the REACH Regulation.

Product Toy xylophone

Name MUSIC BEST

Brand Marco's Toys

Type / number of model lot 10/14

Batch number 8435399009938

Product description Toy xylophone with orange base, eight keys in different colours and a green baton. The toy is packaged in a plastic blister and cardboard packaging.

Risk type Choking

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The suction pins can easily become detached, generating small parts (the suction pins themselves as well as the bars which are then left unattached). The seals between the bars and the base are also accessible and can easily become detached and break, generating small parts. A small child may put these small parts in the mouth and choke on them. The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 71-1.
