Type Consumer

Product Carbon monoxide detector

Brand Unknown

Type / number of model CO-02

**Product description** The CO detector has white plastic cover without any marking. The product mounted semiconductor sensor can be operated from a 12V supply voltage (A type). The terminal block (with marking: P1, P2, SIG1, SIG2) can be found under a flip cover on the back side of the product. Dimensions: 115 x 72 x 50mm

Risk type Asphyxiation

**Legal provisions (at EU level) and European standards against which the product was tested and did not comply** The product is not sufficiently sensitive with respect to the detection of carbon monoxide. The product does not comply with the relevant European standard EN 50291-1.

Country of origin People's Republic of China

Product Safety gate for children

Name Plastic Mesh Gate

Brand GuardMaster

Type / number of model Model 276 MS UNIQUE REFERENCE erlent

Batch number 2805627600

Product description Pressure-mounted portable safety gate made of wood, for children and pets.

Risk type Entrapment  
Injuries  
Strangulation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The safety gate is not sufficiently high: a child can climb over it and fall. Moreover, it can open unexpectedly due to an inadequate opening mechanism with the risk of a child falling down the stairs, and it has protruding corners where the garments of a child could get caught, causing strangulation. In addition there are gaps and holes where a child's fingers could be trapped. The product does not comply with the relevant European standard EN 1930.
