Product Light

Name LED SUN MAGIC BALL / Rivaldafény

Brand Asa

Type / number of model REF: 10545

Batch number 5 995858 105456

Product description Mains operated light with 3 rotating LEDs and 48 fixed LEDs (red, blue and green). Packaging: colourful cardboard box.

Risk type Electric shock  
Fire

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The cross-sectional area of the external and internal wires is too small and the wires could overheat. Live parts can be touched when the flat plug is plugged into the mains since the dimensions of the flat plug are not suitable. The wire ends soldered to the terminals of the rectifier unit are not adequately protected against pulling and twisting. As a consequence, the cable could become loose causing accessible parts to become live. The product does not comply with the requirements of the Low Voltage Directive and the

relevant European standard EN 60598.
