Product Safety gate for children

Name Türschutzgitter Kunststoff (Safety gate, plastic)

Brand Tec-Take

Type / number of model Model: SD1001, ITEM NO: 400847

Batch number 4260182876794

Product description Plastic safety gate.

Risk type
Chemical
Injuries
Strangulation

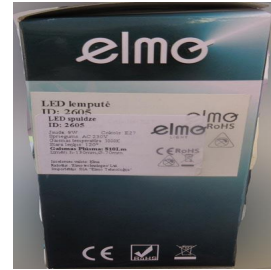

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The safety gate can be opened easily due to an inadequate opening mechanism, with the risk of a child falling down the stairs. The gate has protruding corners where the garments of a child could get caught, causing strangulation. The plastic bag of the packaging is too thin and can cover the mouth and/or nose of a child, causing suffocation. Moreover, the material contains lead (measured value 403 mg/kg), Barium (measured value: 1197 mg/kg) and Chromium (measured value: 90 mg/kg).

Product category Childcare articles and children's equipment

Type Consumer

Product Children's high-chair

Brand Louwen Houtbewerking

Type / number of model Natural wood child chair +/- 58 cm high

Batch number Affected products have been manufactured from 2012 until 2016

Product description Wooden high chairs for children, approx. 58 cm high, available with seats in different colours. Sold without a restraint system, which can be ordered separately. The product is supplied in a cardboard box.

Risk type Injuries
Strangulation

Legal provisions (at EU level) and European standards against which the product was tested and did not comply The chair is sold without a restraint system and the child could fall off the chair and suffer fractures or severe head injury. When the separately sold restraint system is installed, the leg openings are too large and the child could pass both legs through them and slide out, with the risk of chest or head entrapment, leading to strangulation. Moreover, the high-chair is not sufficiently stable and could easily tip over, causing injuries to the child. The product does not comply with the relevant European standard EN 14988.
